

**WEST VANCOUVER  
FOUNDATION**

## **Gift of Securities Donation Instructions**

Thank you for considering a gift of publicly traded securities to the West Vancouver Foundation.

### 2 STEPS TO MAKING YOUR DONATION

1. Please complete (may need help from your financial advisor) and sign the attached Authorization and Direction Form. Once completed, please send a scanned copy of the form to the West Vancouver Foundation at [susan@westvanfoundation.ca](mailto:susan@westvanfoundation.ca).
2. Have your financial advisor INITIATE the transfer of securities.

### Valuation and Sale of Securities

The West Vancouver Foundation will issue a donation receipt to you for the value of the securities based on the last quoted trading price in normal trading hours on the date the securities are received into the West Vancouver Foundation's brokerage account. Please note that this may be a different value than the value at the time you gave the instruction to transfer, depending on market activity. Once the securities and completed Authorization and Direction Form are received by the West Vancouver Foundation, the securities will be sold as soon as possible and the proceeds deposited into the identified fund.

### Timing

Please be aware that it may be logistically difficult to transfer securities from your investment firm in the last weeks of December. As well, certain securities can take extended time to transfer, depending on the complexity of the gift. Avoid this risk by planning your gift well in advance.

### Further Information

If you have any questions or require further information about making your gift, please contact our Fund Administrator, Susan Beck at 604-925-8153.

**Thank you again for your gift of generosity and trust in the West Vancouver Foundation.**
