Making Ambleside More Inviting for Young People

Alp, Ian, Nathan

Why This Project Matters

- Ambleside is one of the main attractions of West Vancouver
- As North Shore residents, we feel that Ambleside is underutilized and could be more enjoyable for other young people
- As young people, we find ourselves heading to other places because there is seemingly a lack of interesting choices in West Vancouver

Our Proposed Solutions

Improve Basketball Courts

- Repaint lines: three point, free throw
- Fix backboard: replace with plastic or glass, proper rectangle
- Improve lighting: cut trees, consistently lit for usage at night
- Improve quality of hoops and court: even rims and court, proper height

Objective 6.3: Improve outdoor recreational opportunities for residents and visitors of all ages and abilities.

Making Ambleside a More Interesting Destination for Young People

- Organize summer events, such as night markets with pop-up restaurants, artisan vendors, beer gardens, and musical entertainment
- Make Ambleside a destination for young people by giving it a fun vibe and a trendy atmosphere
- It will also be an opportunity for local businesses to participate and gain exposure

Objective 2.1 (2.1.1, 2.2.1), 2.5 (2.5.2) and OCP Principle 8

Improve Local Infrastructure for Public Gatherings

- Improve current public gathering areas with creativity and innovation, repair the infrastructure
- Existing alcohol-allowed zones and the Ambleside Waterfront Plan are promising foundations
- Benches, picnic tables, barbecue areas, gazebos, fire pits

Objective 2.5 (2.5.2) and OCP Principle 2, 11
